- Score +/- Differenz Score für - Score gegen / difference score for - score against
- Σ Score Gesamt-Score / Total score

**Schweizer Ligensystem**

- Die Duelle der ersten Runde werden zufällig ausgelost.
- Anschließend werden alle Duelle so aufgesetzt, dass im Idealfall immer benachbarte Quizende gegeneinander antreten. Ziel ist also Rang 1 gegen Rang 2, Rang 3 gegen Rang 4 etc.
- Hierbei ist aber zu beachten, dass keine bereits gespielten Duelle nochmals angesetzt werden.
- Punktevergabe bei Duellen ist
  - Sieg = 5 Punkte
  - Unentschieden = 3 Punkte für beide
  - Knappe Niederlage (<= 1000) = 2 Punkte
  - Niederlage = 1 Punkt
  - NoScore = 0 Punkte,
- +/- (Score Differenz), wenn der Gegner Score=0 hat:
  - Eigener Score > Ligadurchschnitt: Score - Avg.Score
  - Eigener Score <= Ligadurchschnitt: 0
  - Beide haben Score = 0, - Ligadurchschnitt

**Swiss League System**

- The first round duels are drawn at random.
- After that, all duels are set up so that, ideally, neighboring quiz ends always compete against each other. So, the goal is rank 1 against rank 2, rank 3 against rank 4, and so on.
- However, it should be noted that no duels that have already been played are scheduled again.
- Points are awarded as follows in duels:
  - Win = 5 points
  - Draw = 3 points for both
  - Close Loss (<= 1000) = 2 points
  - Loss = 1 point
  - No score = 0 points, even if the duel ends 0:0.
- +/- (score difference) if the opponent has a score of 0:
  - Your score > league average: score - avg. score
  - Your score <= league average: 0
  - Both have a score of 0, - league average
